Received and published: 17 March 2015

Dear Editor: we thank to the reviewers for the comments on the paper, most of them improving it. Two reviewers consider as valuable the study and recommend the manuscript for publication after the suggested changes. We hope that with the improved explanations and the corrections made the manuscript will be considered for the publication in Soil.

We have included a file detailing the changes and/or answers with track changes. Also it has been answered all the specific comments made by the reviewers (point by point).
