Executive/Topical Editor

Dear John,

Re: Soil 09-12-19

Thank you for your kind words on our manuscript.

I have uploaded a new pdf version with an amended Fig 2b showing standard errors of the means. I've changed from a line graph to a bar graph, which I think is clearer.

I've also added 'regionally' in line 154, just before Fig. 2.

Kind regards

Peter
